Belgrade (Beograd) is the capital of Serbia, and has a population of around 1.6 million. It is situated in South-Eastern Europe, on the Balkan Peninsula, at the confluence of the Sava and Danube rivers. It is one of the oldest cities in Europe and has since ancient times been an important focal point for traffic, an intersection of the roads of Eastern and Western Europe.

The climate in Belgrade is a moderate continental one, with an average daytime temperature of 11.7°C
